

Voluntary Recall: Bone Chew Dog Treats

Omaha Steaks is voluntarily recalling our Bone Chews (#2949) dog treats out of an abundance of caution because in rare instances they could splinter and cause injury. We want to ensure the safety of our customers' pets so we have pulled this product from our offering. If you still have this product, discard it.

Please email custserv@omahasteaks.com or call us Monday-Friday 7 a.m.-10 p.m. Saturday 8 a.m.-7 p.m. and Sunday 9 a.m.-5 p.m. at (877) 789-7117 with any questions or concerns.

As a fifth-generation family-owned company, our top priority at Omaha Steaks has always been our customers, including their pets and we endeavor to provide you and your pets with the safest food available.
