

Businesses Join Together to Deliver More than 5,000 Servings of Protein to Food Bank for the Heartland

(Omaha, Neb., Feb. 22, 2022) – While the holidays may be over, food insecurity, rising prices of goods, and supply chain issues continue into the new year. As a result, we are pleased to announce a unique partnership with United Rentals which has enabled a significant food donation to Food Bank for the Heartland.

To thank their employees for their hard work last year, United Rentals provided each of their employees a cooler of Omaha Steaks packed with a variety of proteins. United Rentals gave their employees the option to donate their Omaha Steaks package to a local charity. 140 employees decided to donate their gifts of protein to Food Bank for the Heartland.

When Omaha Steaks, a Nebraska-based, 105-year-old family-owned company, learned about United Rentals' employees donating their holiday meal to charity, Omaha Steaks decided to match that donation, bringing the total to 280 protein packages.

Food banks typically receive nonperishable, shelf-stable foods, leaving out a crucial part of a balanced diet – protein. Protein-rich foods play an important role in our fight against hunger. It is more filling than fats and carbs, increases muscle strength, promotes bone health, boosts metabolism, and provides many other dietary benefits. Unfortunately, the high-cost and perishable nature of protein means it is donated less frequently.

On February 22, Omaha Steaks will deliver a truckload containing more than 5,000 servings of protein to Food Bank for the Heartland. The donation will include an assortment of steaks, chicken, pork, all-beef franks, seafood, sides, and desserts.

“At Omaha Steaks, serving others is at the very core of who we are, from serving our customers to serving our communities,” said Todd Simon, fifth-generation family owner, Omaha Steaks. “Omaha Steaks is committed to providing high-quality protein to families in need.”

“We are grateful to Omaha Steaks and United Rentals for their commitment to helping our neighbors facing hunger,” said Brian Barks, Chief Executive Officer at Food Bank for the Heartland. “Their generous donation of protein will help families in our community who may not otherwise receive high-value protein products.”

“We’re thankful for the opportunity to partner with Omaha Steaks to donate meals to local families in need,” said Todd Hayes, Region Vice President, United Rentals. “We love to collaborate with other local businesses to help out our community.”

About Omaha Steaks®
