

MONOGRAM™ ELEVATES THE ART OF ENTERTAINING WITH NEW DISHWASHER LINE-UP

*From First Course to Final Glass, Premium Cleaning Technology and Ultra-Quiet Performance
Make Post-Entertaining Cleanup Effortless*

LOUISVILLE, Ky., February 17, 2026 – Monogram™ is introducing its most advanced dishwasher line-up, designed to redefine the cleaning experience for discerning homeowners. Debuting at the Kitchen and Bath Industry Show (KBIS) 2026, these dishwashers combine a remarkably quiet performance with a sophisticated design that creates the perfect moment where exceptional hosting ends and extraordinary peace of mind begins.

900 Series

Crafted for those who appreciate the finer details, the **new Monogram 24" Premium Fully Integrated Dishwasher** was designed to offer power without disruption. Capable of operating at a mere 37 dBA during the Quiet Cycle, the remarkably quiet cleaning harmonizes power and serenity without distributing kitchen conversation or entertaining. With power comes precision and over 90 powerful wash jets engineered to deliver 360-degree cleaning, reaching every corner for pristine results. The advanced wash system also features a full-extension, versatile third rack design with dedicated wash zone and removable one-third section that accommodates taller items below for maximum loading flexibility.

For entertaining enthusiasts, the dishwasher delivers specialized **new** cycles including a Crystal Cycle for delicate glassware and a Platinum Plus Cycle developed in partnership with Cascade to deliver optimized cleaning performance in less time. Additional innovations include the HYDROSAVE™ Cycle, which reduces water usage by more than 25%¹ while maintaining exceptional cleaning performance for lightly soiled dishes.

800 Series

For those ready to discover the art of entertaining, the **new Monogram 24" Fully Integrated Dishwasher** offers the same refined design and similar features as the Premium Dishwasher, including:

- A remarkably quiet, flawless clean at **40 dBA**.
- **70 powerful wash jet system and 5 pressurized wash zones** to reach all corners of the dishwasher.
- **Removeable third rack** to make space for taller items below or oddly shape flatware/utensils.

Features that Delight and Elevate

The full line-up offers signature entertaining features that build on those that owners already love, including:

- **New Intuitive Touch Controls with Brilliant LCD Lighting and Illuminated Interior** to help owners easily select cycles and make unloading and loading dishes more convenient.
- **New PrepRinse Cycle** that refreshes stored dishes with a light rinse in minutes – no hand rinsing required.
- **New Dishwasher Cleaning** feature that helps protect against hard water buildup and ensures worry-free maintenance.

¹ Compared to the Normal cycle with a 4-place setting soil load.

- **Dedicated Bottle & Utensil Jets** designed and specifically located to clean hard to reach taller items, like carafes or decanters, and flatware.
- **Hard Food Disposer** designed to maintain a kitchen's cleanliness and efficiency with stainless steel blades to grind food into tiny particles that wash away with ease.

Purposeful Design

With an elegant new design that simplifies and shortens the panel installation process, both the [Monogram 24" Panel-Ready Premium Fully Integrated Dishwasher](#) and [Monogram 24" Panel-Ready Fully Integrated Dishwasher](#) were engineered with quality enhancements. By eliminating hinge screws in the installation and offering a new front adjust door balance system, each dishwasher offers owners unparalleled design flexibility through its fully integrated, tailor-made exterior.

Proudly designed and produced in our manufacturing facility in Kentucky, both models are also available in a Stainless Steel finish with Statement or Minimalist Collection handles sold separately. The full line-up will be available in April 2026 at select Monogram dealers for a retail price starting at \$2,200 with handles starting at \$200.
